Copy of letter No.C.1999/32, dated 7th December 1932 from the District Labour Officer, South Kanara. to the Commissioner of Labour, Madras.

Establishment - Temporary - South Kanara District - Deputy Surveyor - Appointment - G.O.No.Mis.1828, Revenue, dated 2-9-1932.

(F)

In their orders quoted above, communicated with your D.Dis. E-1-3734/32, dated 9-9-1932, Government sanctioned the employment for a period of 4 months, of an additional Deputy Surveyor for sub division work connected with the assignment of lands to depressed classes. The Deputy Surveyor, who was entertained in consequence of this order, entered on his duties on the forenoon of 20-9-1932. Hence, he will continue in service till 19-1-1933.

2. Some of the sub divisions shown as ~~pending~~ for measurement in the list submitted with this office report, Ref.on.C.No. 3669/31, dated 20-7-1932, have been measured by him, as also 35 acres of land, out of an area of about 1778 acres, reserved for the use of the depressed classes in Panathady village of the Kasargod taluk. The number of sub-divisions now pending with him for measurement is 226, which is inclusive of some sub divisions, the formation of which has been found to be necessary, since the submission of the list referred to above. In addition to this, he has got to measure an area of 1743 acres in Panathady village, out of which, there are immediate applicants for an area of about 250 acres. He will not be able to ⁱⁿfurnish all these items of work before 19-1-1933, i.e. the date on which his appointment ceases. Moreover, as previously stated, Panathady is a very extensive Kumri village, where the survey operations are extremely difficult. The village does not admit of easy traverse during the rainy season. The rains have just subsided now in this District, and it will take some time more, before the jungle weeds, &c. dry away, so as to admit of survey operations (being) easy. The best part of the year, convenient for survey work in this village is January, February, and March.

3. I, therefore, recommend that the Government may be kindly addressed to sanction the continuance of the Deputy Surveyor, at least, till the end of March next, so that the major portion of the work now pending, may be completed by that time.
